# **EXPRESS ENTRY**

**Canada has been inviting foreign skilled professional, workers & experts, to add to Canada's developing economy. Skilled professionals are qualified to apply under the Federal Skilled Worker program for Canadian Immigration.**

**Under the Federal Skilled Worker program, Express Entry is the most sought after and is intended to provide a permanent residency for skilled workers.**

# **PNP NOMINATION**

**There are 10 provinces in Canada, Each province have its own requirements for those skilled workers who intend to work and live in their choice of province. Basically, all these provinces provide provincial nomination certificate which assists with speeding up the migration procedure.**

**This is purely an occupation based program and therefore much quicker compared to other Canadian Immigration programs for instance, Saskatchewan Immigrant Nominee Program (SINP) & Ontario Immigration Nominee Program (OINP).**
